The map displays the urban layout of Koutiala and its immediate surroundings. Key areas include:

- DAR-SALAM 1** and **DAR-SALAM 2**: Residential zones in the northern part of the city.
- KOKO**: A central residential area.
- SOGOMBOUGOU** and **WALA-WALA**: Residential zones to the west and south of Koko.
- HAMDALAYE**: A residential area to the southwest.
- LAFIALA**: A residential area near the center.
- KOULIKORO**: A residential area to the east of Lafiala.
- NTONASSO**: A residential area south of Koulikoro.
- MEDINA-COURA**: A residential area to the east of Ntonasso.
- SINCINA PLATEAU**: A residential area to the southeast.
- SINCINA**: A residential area further southeast.
- SANGA**: A residential area to the southwest of Sincina.
- WENLENGUENA 1**: A residential area to the west of Sanga.
- WOLOBOUGOU**: A residential area to the north of Dar-Salam.

The map also shows various functional zones such as commercial centers, administrative areas, and industrial zones. A large green area represents the 'Espace boisé' (wooded area). A light green area in the southeast represents the 'Zone aéroportuaire' (airport zone). The map includes a scale bar (0 to 2 km) and a north arrow. The coordinate system is WGS 1984 UTM Zone 30N.
